

MARK PROTİK MONDOL

Machine Learning Engineer & Researcher

Dhaka, Bangladesh | +880-1759897069 | markprotik12@gmail.com | github.com/mark-0polo

Portfolio: markprotikportfolio

Profile

I'm Mark Protik Mondol, currently in the final trimester of my four-year undergraduate studies at United International University. I am a Computer Science and Engineering student passionate about Artificial Intelligence, Machine Learning, and data-driven problem solving. I enjoy bridging theory with real-world applications by building intelligent systems and exploring modern AI techniques. Driven by curiosity and a strong foundation in fundamentals.

Work Experience

Undergraduate Teaching Assistant (UGA)

2023 – 2025

United International University

Dhaka, Bangladesh

- Assisted in conducting and evaluating SPL, OOP, DSA 1, DSA 2, and DBMS laboratory sessions.

Course Grader

2022 – 2023

United International University

Dhaka, Bangladesh

- Evaluated assignments and lab reports while ensuring consistency and academic integrity.

Projects & Research

Hardware Tool Detection and Learning Paradigm Comparison

Research Project (Machine Learning)

- Developed a hardware tool detection system using a custom dataset of **6,000 images** across **24 classes**.
- Implemented and compared **Supervised Learning** and **Zero-Shot Learning** approaches to evaluate detection performance.

Organet

Open Source Project

- Developed a smart and simple task organizer enabling users to arrange, prioritize, and manage daily tasks efficiently.

Soil Sense

IoT & ML Project

- Built a soil sensing system using ESP32 and multiple sensors, with a local Flask server and ML model to generate crop suggestions.

Technical Skills

- Programming:** Python, C, C++, PHP
- Machine Learning & Deep Learning:** PyTorch, Supervised Learning, Zero-Shot Learning, CNNs, RNNs
- Computer Vision:** Image Processing, Dataset Annotation, Feature Engineering
- Frameworks & Tools:** Flask, Docker, Git, Jira
- Databases:** MySQL

Education

B.Sc. in Computer Science and Engineering

2021 – 2025

United International University | **CGPA: 3.94**

Higher Secondary Certificate (HSC)

2018 – 2020

Notre Dame College | **GPA: 5.00**

Achievements

- 1st Runner-Up** — Advanced OOP Project Show (UIU) for developing an interactive 2D online multiplayer game.
- University Merit Scholarships (UIU):** Earned **100% tuition waiver (5 trimesters)** and **50% waivers (7 trimesters)** for sustained academic excellence.
- Higher Secondary Certificate (HSC):** Awarded **General Scholarship**; achieved **GPA 5.00**.
- Secondary School Certificate (SSC):** Awarded **Talent Pool Scholarship**; achieved **GPA 5.00**.
